A Publication Of The Missouri Public Service Commission

Consumers have certain rights to receive safe and adequate utility service, and the right to know the cost of the service that is being provided. The Missouri Public Service Commission's Consumer Services staff is available to answer questions re-

garding utility service. Consumers should first attempt to resolve the complaint with their utility provider. If that contact does not resolve the issue, please call the PSC Consumer Services Department at 1-800-392-4211. Consumer Services staff will work to help resolve any utility issues and provide assistance or other resources.

How Consumer Services Can Help You

STAFF CAN INVESTIGATE AN INQUIRY OR DISPUTE IF THE CONCERN PERTAINS TO:

- ◆ Rates or charges
- ◆ Installations or disconnections (Recent or proposed or recent)
- ◆ Responsibility for a bill
- ◆ A request for a deposit
- ◆ Refusal of service by a utility
- ◆ The quality and type of utility service
- ◆ A utility's policies and procedures

CONSUMER SERVICES CAN PROVIDE ADDITIONAL INFORMATION & RESOURCES

- ◆ Federal agencies can help resolve long distance issues ("slamming" and "cramming"); satellite TV; faxes; Internet; wireless communications; "800" and "900" number complaints; federally-mandated charges.
- ◆ Telemarketing and consumer fraud involving utility rates.

What A Consumer Should Do

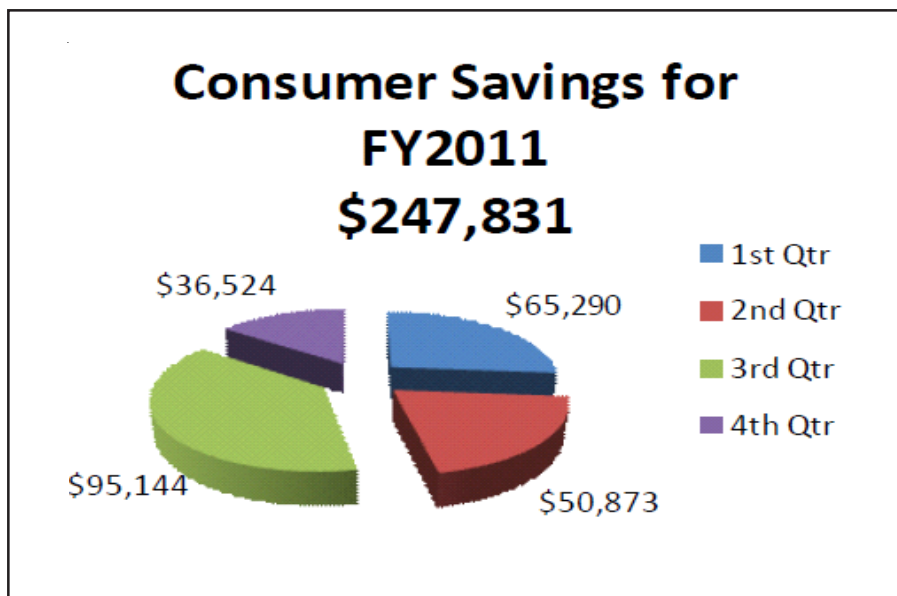

A consumer should always first contact the utility to see if the company can help solve the problem. If unable to resolve the complaint with the utility, the PSC will contact the utility to see if there is a solution to the problem.

Complaints may be submitted by telephone, fax, letter, e-mail or in person. Depending on the complexity of the complaint, a written summary of the dispute and supporting documents may need to be included.
