

MISSOURI PUBLIC SERVICE COMMISSION

JOB OPPORTUNITY

ASSOCIATE ENGINEER/PROFESSIONAL ENGINEER

The Engineering Analysis Department of the Industry Analysis Division of the Missouri Public Service Commission seeks to fill an Associate Engineer/Professional Engineer position in our Jefferson City office to perform analysis related to energy issues that affect Missouri's investor-owned utilities and their customers.

This position requires knowledge of the utility industry in areas such as depreciation, generation, transmission, distribution, services, construction, production and/or resource planning and prepares testimony in PSC hearings on associated issues and utility rates. Also serves as an engineering technical resource in engineering areas such as electrical, steam, gas or generation systems or in specific aspects of statistical or production cost modeling. This position also requires the ability to assist in formulating research strategies and selecting and applying the appropriate analytical methods or computer models to provide high quality information to decision makers. A high level of both verbal and written communication skills and the ability to explain and interpret the results of complex technical information to both technical and non-technical audiences is required.

QUALIFICATIONS: Graduation from an ABET accredited college or university with a bachelor's degree in engineering or equivalent, and 2-4 years of progressive engineering experience, of which one year must have been in a regulatory, compliance, or utility environment. Successful completion of the Fundamentals of Engineering (FE) examination is preferred. Registration as a Professional Engineer in the State of Missouri required for the Professional Engineer position. Experience with spreadsheets and word processing is essential. Knowledge of depreciation software is preferred. Other computer simulation and database experience is also preferred. The ability to work well in a team environment is a must. Strong analytical, writing and interpersonal skills and personal computer experience required.

Starting salary will be commensurate with education and experience. Annual salary range: \$55,451 - \$63,880. To be considered for this position, submit an application, resume, a copy of each transcript from all colleges/universities attended and a one or two page technical writing sample by 5:00 pm **August 14, 2020** to: MO Public Service Commission, **Reference Number IA060820**, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to pscjobs@psc.mo.gov. For additional information, visit http://psc.mo.gov/General/Career_Opportunities.
