### ENGINEER

State regulatory agency seeks to fill an Associate/Professional Engineer position to act as an inspector for a minimum of 85 inspection person days per year of pipeline safety inspections including but not limited to standard records and field inspections, operations and maintenance and emergency plan procedures, public awareness plans and effectiveness, operator training and qualification program and implementation, distribution integrity management program and implementation, anti-drug and alcohol plan and implementation, master meter and construction inspections; perform on-the-job training of new pipeline safety inspectors following completion of specialized training over a period of years required to perform all inspection types. Other duties include providing reports and testimony before the PSC and other regulatory bodies.

Qualified candidates will possess a bachelor's degree in engineering or equivalent from an ABET accredited college or university and 2-4 years of progressive relevant engineering experience, of which one year must have been in a regulatory or natural gas utility environment. PE eligibility in Missouri required. Position requires approximately 50% travel, including overnight and some weekend travel. Remote work may be an option for this position. Selected candidate, if approved for this option, must be able to report to work in person intermittently as needed at the location identified. Experience with spreadsheets and word processing is essential. Other computer simulation and database experience is preferred. The ability to work well in a team environment is a must. Strong verbal communication and interpersonal skills essential. Analytical, writing and personal computer experience preferred. Prior experience with natural gas pipeline construction or operation is preferred.

The starting annual salary range is \$55,451 to \$63,880. To be considered for this position, submit an application, resume, a copy of each transcript from all colleges/universities attended, and a one to two page technical writing sample by 5:00 pm **May 14, 2021** to: MO Public Service Commission, **Reference IA020521**, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to [pscjobs@psc.mo.gov](mailto:pscjobs@psc.mo.gov).
