#### **REGULATORY ECONOMIST I/II/III**

The Missouri Public Service Commission is seeking Economists in our Jefferson City office. Duties include performing analysis related to energy issues that affect Missouri's investor owned utilities and their customers.

These are responsible, professional positions that require the application of quantitative economic methods and statistical analysis to topics that have impacts in utility ratemaking. Analyses may include weather-normalization of utility sales and revenues, performing class cost-of-service studies, developing billing units and revenues, formulating load research studies, and determining rate impacts. The positions also require extremely detailed verification of analyses presented by regulated utilities, consultants, and other interested parties. The economists in these positions will develop and make recommendations to the Commission based on the results of their quantitative economic analysis of the issues.

**QUALIFICATIONS:** Graduation from an accredited four-year college or university with specialization in economics or closely related area plus a minimum of two years of professional experience performing economic analyses in a regulatory environment (utility regulation experience not required), or a Master's degree in economics or closely related area is required. Experience with spreadsheets and word processing is essential. Additional computer simulation and database experience is preferred. The ability to work well in a team environment is a must.

The annual salary ranges are: Economist I - \$38,040 to \$39,480; Economist II - \$42,552 to \$44,208; and Economist III - \$52,176 to \$54,360. All positions are eligible for a potential salary increase at the completion of a successful probationary period. To be considered for these positions, please submit an application, resume, a copy of all transcripts and a one or two page technical writing sample by 5:00 pm on **May 31, 2013** to MO Public Service Commission, **Reference Number UO060513**, P.O. Box 360, Jefferson City, Missouri 65102 or via e-mail to [pscjobs@psc.mo.gov](mailto:pscjobs@psc.mo.gov). For additional information, visit <http://www.psc.mo.gov>.
