### ENGINEER

State regulatory agency seeks to fill an Engineer position to act as an inspector for a minimum of 85 inspection days per year of pipeline safety inspections including but not limited to standard records and field inspections, operations and maintenance and emergency plan procedures, public awareness plans and effectiveness, operator training and qualification program and implementation, distribution integrity management program and implementation, anti-drug and alcohol plan and implementation, master meter and construction inspections; perform on-the-job training of new pipeline safety inspectors following completion of specialized training over a period of years required to perform all inspection types. Other duties include providing reports and testimony before the PSC and other regulatory bodies.

Qualified candidates will possess a bachelor's degree in engineering or equivalent from an Accreditation Board for Engineering and Technology (ABET) accredited college or university and 0-4 years of progressive relevant engineering experience, one year of experience in a regulatory, compliance, or utility environment preferred. **(December graduates are welcome to apply.)** PE eligibility in Missouri required. Lack of post-secondary education will not be used as the sole basis denying consideration to any applicant. Position requires approximately 50% travel, including overnight and some weekend travel. Experience with spreadsheets and word processing is essential. The ability to work well in a team environment is a must. Strong verbal communication and interpersonal skills essential. Analytical, writing and personal computer experience preferred. Prior experience with natural gas pipeline design, construction, operation, or maintenance, or regulatory oversight of natural gas pipelines is preferred.

Starting salary will be commensurate with education and experience. The annual salary range is \$65,048 - \$77,651 plus benefits. Benefits include 13 paid holidays annually, 10 hours paid sick and vacation time each month, potential telecommuting options, flexible work schedules, physical fitness opportunities, and tuition reimbursement. The position also offers optional life, medical, dental and vision coverage, and the state employee pension plan. To be considered for this position, submit an application, resume, a copy of each transcript from all colleges/universities attended, and a one to two page technical writing sample by 5:00 pm **November 15, 2024** to: MO Public Service Commission, **Reference IA121124**, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to [pscjobs@psc.mo.gov](mailto:pscjobs@psc.mo.gov).
