

MISSOURI PUBLIC SERVICE COMMISSION

JOB OPPORTUNITY

ENGINEER

State regulatory agency seeks to fill a temporary Engineer position to perform tasks that would include investigating best practices of electric utilities and regional electric transmission organizations regarding Smart Grid technology; demand-side management programs or renewable energy resources within Missouri.

This position requires an ability to serve as an active participant in the electric utility regulatory process and on utility/stakeholder collaboration groups regarding Smart Grid technology, demand-side management programs or renewable energy resources. This position also requires the ability to assist in formulating research strategies and selecting and applying the appropriate analytical methods or computer models to provide high quality information to decision makers. A high level of both verbal and written communication skills and the ability to explain and interpret the results of complex technical information to both technical and non-technical audiences is required. This position is being established as part of the American Recovery and Reinvestment Act of 2009 (ARRA) with the expected duration of up to one year.

QUALIFICATIONS: Graduation from an ABET accredited college or university with a bachelor's degree in engineering or equivalent. Experience with spreadsheets and word processing is essential. Other computer simulation and database experience is preferred, but not required. The ability to work well in a team environment is a must. Strong analytical, writing and interpersonal skills and personal computer experience required. Experience in the electric utility industry a plus.

The starting annual salary range is \$52,176 - \$54,360. To be considered for this position, submit an application, resume, copy of all transcripts and a one to two page technical writing sample by 5:00 pm **August 2, 2013** to: MO Public Service Commission, **Reference Number UO120813**, P.O. Box 360, Jefferson City, Missouri 65102 or via e-mail to pscjobs@psc.mo.gov. For additional information visit www.psc.mo.gov.
