

MISSOURI PUBLIC SERVICE COMMISSION

JOB OPPORTUNITY

ENGINEER

State regulatory agency seeks to fill a Utility Engineering Specialist III/Utility Regulatory Engineer I position to perform analysis related to energy issues that affect Missouri's investor-owned utilities and their customers.

This position reviews and conducts depreciation studies of Missouri investor-owned utilities and is required to prepare written reports and/or testimony of study findings. Other duties could include: transmission, distribution, services, construction, production and/or resource planning and preparing testimony in PSC hearings on utility rates. Also serve as an engineering technical resource in engineering areas such as electrical, steam, gas or nuclear generation systems. This position also requires the ability to assist in formulating research strategies and selecting and applying the appropriate analytical methods or computer models to provide high quality information to decision makers. A high level of both verbal and written communication skills and the ability to explain and interpret the results of complex technical information to both technical and non-technical audiences is required.

QUALIFICATIONS: Graduation from an ABET accredited college or university with a bachelor's degree in engineering or equivalent, and three years of engineering experience, of which one year must have been in a regulatory, compliance, or utility environment. PE eligibility in Missouri required. Missouri PE required for Utility Regulatory Engineer I. Experience with spreadsheets and word processing is essential. Knowledge of depreciation software is preferred. Other computer simulation and database experience is also preferred. The ability to work well in a team environment is a must. Strong analytical, writing and interpersonal skills and personal computer experience required.

The starting annual salary range for the Utility Engineering Specialist III/Utility Regulatory Engineer I is \$54,276 - \$61,320 with a potential increase at the end of a satisfactory probationary period. To be considered for this position, submit an application, resume, a copy of all transcripts and a one or two page technical writing sample by 5:00 pm **December 2, 2016** to: MO Public Service Commission, **Reference Number CS311216**, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to pscjobs@psc.mo.gov. For additional information, visit http://psc.mo.gov/General/Career_Opportunities.
