MISSOURI PUBLIC SERVICE COMMISSION

JOB OPPORTUNITY

PROFESSIONAL ENGINEER

The Missouri Public Service Commission is seeking a self-directed, detail-oriented individual for the position of Professional Engineer in our Water, Sewer, and Steam Department in the Jefferson City office.

This position will review and evaluate complex water and wastewater engineering reports submitted by utility companies and review the prudence of completed upgrades and environmental improvements; devise methods and establish criteria for conducting engineering studies; and work with consulting engineers retained by utility companies to develop plans for upgrades or resolution of complex problems. This position will be responsible for coordinating technical aspects of rate cases before the Commission in the role of Case Manager, negotiate with utility representatives and interveners, and provide input and testify on issues as an expert witness. This position will make recommendations to utilities to ensure rule and regulation compliance, as well as review legislative proposals, participate in rule makings, and become familiar with new environmental requirements impacting the water, sewer, and steam industries. Position may require occasional in- and out-of-state travel.

Qualified candidates will possess a bachelor’s degree in engineering or equivalent from an Accreditation Board for Engineering and Technology (ABET) accredited college or university and 2-4 years of progressive relevant engineering experience, one year of experience in a regulatory, compliance, or utility environment preferred. Registration as a Professional Engineer in the State of Missouri is required. Knowledge of drinking water or wastewater environmental regulations a plus. Personal computer experience required, Microsoft Office experience required. Must have strong interpersonal, communication, active listening, and writing skills. Ability to work within a team setting or independently is required. Must have initiative and strong work ethic.

Starting salary will be commensurate with education and experience. The annual salary range is $65,298 - $70,776 plus benefits. Benefits include 13 paid holidays annually, 10 hours paid sick and vacation time each month, potential telecommuting options, flexible work schedules, physical fitness opportunities, and tuition reimbursement. The position also offers optional life, medical, dental and vision coverage, and the state employee pension plan. To be considered for this position, submit an application, resume, a copy of each transcript from all colleges/universities attended and a one or two page technical writing sample by 5:00 pm September 9, 2022 to: MO Public Service Commission, Reference Number IA100922, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to pscjobs@psc.mo.gov. For additional information, visit http://psc.mo.gov/General/Career_Opportunities.
