#### **UTILITY ENGINEERING SPECIALIST I/II**

State agency seeking an engineer to join a team of dedicated individuals ensuring the safe operation of natural gas distribution systems throughout Missouri. Excellent entry-level opportunity for an engineer who desires a job that provides a combination of work in an office setting and hands-on experience in a field environment. This position assists in performing safety inspections and incident investigations of jurisdictional natural gas operators. Other duties include review, analysis and reporting of safety-related plans, complaints, outages and gas operators' compliance with Commission orders and regulations, and providing testimony and reports before the PSC and other regulatory bodies.

A bachelor's degree in engineering is required. **December graduates are welcome to apply.** Must have a working knowledge of the principles and practices of engineering. Position requires approximately 50% travel, including overnight travel for inspections and out-of-state travel for training. Good verbal and written communication skills and computer literacy a must. Familiarity or experience in the construction and operation of natural gas utilities; federal, state, and local rules and regulations governing natural gas operations; or natural gas utility training is preferred, but not required.

Salary for a Utility Engineering Specialist I is \$50,112 with potential for promotion to Utility Engineering Specialist II after one year; the salary for a Utility Engineering Specialist II is \$53,136. To be considered for this position, please submit an application, resume, a copy of each transcript from all colleges/universities attended, and a one to two page technical writing sample by 5:00 pm **November 23, 2018** to MO Public Service Commission, **Reference Number CS171118**, P.O. Box 360, Jefferson City, Missouri 65102 or via e-mail to [pscjobs@psc.mo.gov](mailto:pscjobs@psc.mo.gov).
