

MISSOURI PUBLIC SERVICE COMMISSION

JOB OPPORTUNITY

UTILITY REGULATORY ENGINEER II

State regulatory agency seeks to fill a Utility Regulatory Engineer II position in our Jefferson City office to perform analysis related to energy issues that affect Missouri's investor owned utilities and their customers.

This position requires knowledge of the utility industry in the areas of transmission, distribution and safety and preparing testimony in PSC hearings on utility rates, services, construction, production and/or resource planning. Also serve as an engineering technical resource in engineering areas such as electrical, steam, gas or nuclear generation systems, or in specific aspects of statistical or production cost modeling. This position also requires the ability to assist in formulating research strategies and selecting and applying the appropriate analytical methods or computer models to provide high quality information to decision makers. A high level of both verbal and written communication skills and the ability to explain and interpret the results of complex technical information to both technical and non-technical audiences is required.

QUALIFICATIONS: Two years of experience as a Utility Regulatory Engineer I with the Missouri Public Service Commission or four years of engineering experience, of which two years must have been in a regulatory environment; and graduation from a college or university with a Bachelor's degree in civil, electrical, mechanical, structural, nuclear, or industrial engineering with the curriculum approved by the Accreditation Board for Engineering and Technology. (Graduate work in the specified educational areas may be substituted on a year-for-year basis for the required general experience.) PE in Missouri required. Experience with spreadsheets and word processing is essential. Other computer simulation and database experience is also preferred. The ability to work well in a team environment is a must. Strong analytical, writing and interpersonal skills and personal computer experience required.

The starting salary is \$56,664 - \$64,212 with a potential increase at the end of a satisfactory probationary period. To be considered for this position, submit an application, resume, a copy of all college transcripts and a one or two page technical writing sample by 5:00 pm **September 27, 2013** to MO Public Service Commission, **Reference Number UO150913**, P.O. Box 360, Jefferson City, MO 65102 or via e-mail to pscjobs@psc.mo.gov. For additional information, visit www.psc.mo.gov.
