

# KNOW WHAT'S BELOW BEFORE YOU DIG

## 1 Missouri law

requires that any person excavating or digging must notify all underground facility owner(s) that may be affected. You can do this by calling the Missouri One Call System, which will notify the facility owner(s) for you.

## 4 The facility owner(s)

will mark the site using paint, stakes or flags, according to specific guidelines and color codes.

## 2 Contact Missouri One Call at 811 or

**800-DIG-RITE (344-7483)**  
between 3 and 10 working days  
before any digging starts, except in  
an emergency.

## 3 The Missouri One Call System

will notify the facility owner(s) who will determine if the planned dig is near any underground facilities.

## 6 Carefully avoid digging

near any of the flags or marks placed by the facility owner(s). If underground facilities are damaged, you could create a dangerous situation and you may be required to pay for the damage you cause.
