Missouri Public Service Commission

(Not to Scale)

Missouri Landfill Gas Plants under MoPSC pipeline safety jurisdiction:
Pattonville High School LFG System
Toro Energy of Missouri, L.L.C.
Ameresco Jefferson City, L.L.C.

(These Landfill Gas Systems Are Not Shown on the Map)

Natural gas is distributed to Jackson County and the Kansas City area by Spire Missouri West

Safety of natural gas service directly to large industrial customers is regulated by the Missouri Public Service Commission.

Natural gas is distributed to the City of St. Louis and all areas of St. Louis County by Spire Missouri East

The MoPSC has pipeline safety jurisdiction over municipal-owned natural gas operators and intrastate investor-owned natural gas companies. These municipal-owned natural gas operators are listed below and the six intrastate investor-owned natural gas companies under MoPSC pipeline safety jurisdiction are highlighted in the Gas Pipeline Index table at the bottom of the map.

Note: Some municipals not listed are in a joint utility agreement with other municipal operators.
