Issue Date: October 25, 2016

The Commission opened this file to facilitate Staff's efforts to review the Commission's Chapter 31 rules regarding universal service. Various stakeholders have filed comments on a revised draft of the rules prepared by Staff as well as three other draft rule revisions prepared by other stakeholders. On October 24, 2016, Staff asked the Commission to invite the stakeholders to file reply comments to assist Staff in "fine-tuning" its draft rule. The Commission will invite interested stakeholders to file reply comments regarding the four draft rule revisions.

Please submit reply comments by November 15, 2016, so Staff can review the reply comments before submitting a proposed rule revision to the Commission.
