File No. TN-2018-0020

NOTICE CLOSING FILE

Issue Date: July 19, 2017

On July 19, 2017, Network Communications International Corp. filed a letter informing the Commission that it has changed the name by which it provides telecommunications services in Missouri to Network Communications International Corp. d/b/a NCIC Inmate Communications. The July 19 letter caused a new file to open, but it is actually a corrected version of the letter Network Communications International Corp. filed on July 13, which caused File No. TN-2018-0011 to be opened to consider the name change.

Rather than allow two files to remain open regarding the name change, the Commission has moved the July 19 letter to TN-2018-0011 for consideration in that case. This file will be closed.
