NOTICE OF DISMISSAL OF COMPLAINT AND CLOSING OF FILE

Issue Date: October 11, 2017

The Staff of the Missouri Public Service Commission filed a complaint against Osage Water Company alleging the company failed to submit statutorily required annual reports. On September 8, 2017, Staff filed a pleading to dismiss the pending complaint case against Osage Water Company, stating that on September 5, 2017, Osage Water Company filed its 2016 annual reports. Staff states that after reviewing the annual reports all issues identified in the complaint are resolved and no longer need to be pursued in the complaint case.

Commission Rule 4 CSR 240-2.116(1) provides that a complainant may dismiss its complaint at any time before prepared testimony has been filed without an order from the Commission. No prepared testimony has been filed in this case, so Staff does not need leave to dismiss its complaint. The Commission takes notice of the dismissal. This file shall be closed.
