**ORDER GIVING NOTICE OF CONTESTED CASE AND DIRECTING
RESPONDENT TO FILE ANSWER**

Issue Date: July 5, 2016

Effective Date: July 5, 2016

On June 20, 2016, the Staff of the Missouri Public Service Commission filed a formal complaint against Taney County Utilities Corporation (“Taney County Utilities”), a public utility regulated by the Commission. A copy of the complaint accompanies this notice. This is a contested case¹ pursuant to Section 386.390, RSMo 2000.

The Commission will set a 30-day deadline for Taney County Utilities to file an answer. In the alternative, Taney County Utilities may file a written request that the complaint be referred to a neutral third-party mediator for voluntary mediation. Upon receipt of requests for mediation, the 30-day time period shall be tolled while the Commission ascertains whether Staff is also willing to submit to voluntary mediation. If Staff agrees to mediation, the time within which answers are due shall be suspended

pending the resolution of mediation. Additional information regarding the mediation process is enclosed. If Staff declines to mediate the dispute Taney County Utilities will be notified in writing that the tolling has ceased and will also be notified of the date by which answers must be filed. That period is usually the remainder of the original 30-day period.

As required by Section 536.067(2)(f), RSMo 2000, the Commission informs the parties that the Commission's provisions governing procedures before the Commission, including provisions relating to discovery, are found at Commission rule 4 CSR 240-2.090.
