**NOTICE OF DEFICIENCY AND ORDER  
DIRECTING MISSOURI-AMERICAN TO COMPLY**

Issue Date: July 26, 2016

Effective Date: July 26, 2016

On July 20, 2016, the Commission directed Missouri-American Water Company to file the information required by Section 386.275.1, RSMo 2000 and Commission Rule 4 CSR 240-10.060 no later than July 26.<sup>1</sup> Missouri-American responded on July 25 by filing a list of the cities and counties that apply a gross receipts tax where base rates will increase by seven percent or more. That list of cities and counties provides part of the information required by the statute and regulation, but it fails to provide the percentage increase approved for each city and county and it fails to provide an estimate of the annual increase in gross receipts resulting from the approved rate increase on customers residing in that city or county.

**THE COMMISSION ORDERS THAT:**

1. Missouri-American Water Company shall fully comply with the requirements of Section 386.275.1, RSMo 2000 and Commission Rule 4 CSR 240-10.060 no later than July 29, 2016.

<sup>1</sup> The statute requires the Commission to provide specified information to the affected governing bodies. The regulation requires the affected utility to provide the specified information to the Commission.

2. This order shall be effective when issued.
