ORDER DIRECTING FILING

Issue Date: July 26, 2016

Effective Date: July 26, 2016

On June 1, 2016¹, Kansas City Power & Light Company filed tariff sheets to modify its Demand Side Investment Mechanism (“DSIM”). The Commission rejected those tariff sheets on July 20 and ordered KCP&L to file tariff sheets that complied with the order.

On July 22, KCP&L filed a tariff in an attempt to comply with the Commission’s July 20 order. KCP&L also filed a motion for expedited treatment in which it asks the Commission to approve the tariff by August 1.

On July 25, the Staff of the Commission recommended that the Commission approve the tariff as of August 1. The Commission will now allow responses to the Staff Recommendation.

THE COMMISSION ORDERS THAT:

1. Any party who wishes to object to the above-referenced tariff going into effect as of August 1, 2016, shall object no later than July 26, 2016.

¹ Calendar references are to 2016.

2. This order shall be effective when issued.
