**NOTICE OF CHANGE OF REGULATORY LAW JUDGE AND  
PROVIDING INFORMATION, AND ORDER SETTING TIME FOR RESPONSE**

Issue Date: August 17, 2016 Effective Date: August 17, 2016

This notice serves to inform the parties that this case has been reassigned to Regulatory Law Judge Nancy Dippell. Having reviewed the file, it appears that this case is ready for Commission action on the motion to dismiss for lack of jurisdiction. However, the complainant, DeLana Smith-Sattarin, indicated in her response filed on June 21, 2016, that she had not received a copy of the prehearing transcript.

To receive a paper copy of the transcript, the complainant must contact Tiger Court Reporting, LLC., at [www.tigerocr.com](http://www.tigerocr.com) or 573-999-2662 and arrange to purchase a copy. Or, the complainant may access an electronic copy of the transcript on the Commission's Electronic Filing and Information System (EFIS) at <https://psc.mo.gov/> without the need to login. (Under "How Do I..." on the right-hand side of the screen, click on the first listing, "Access EFIS Without Login", and then, "How To Look Up Information On A Specific Case.").

Thus, in order to give the complainant time to review the prehearing transcript, the Commission will allow time for one additional response from Ms. Smith-Sattarin, with regard to the Commission's jurisdiction to provide her some relief. If the complainant should require additional time, she should file a further request.

**THE COMMISSION ORDERS THAT:**

1. DeLana Smith-Sattarin may submit a further response, as described in the body of this Notice and Order, no later than September 1, 2016.
2. The Commission's Data Center shall mail a copy of this notice to the Complainant.
3. This order shall be effective when issued.
