Effective Date: August 25, 2016

On July 22, 2016, Transource Missouri, LLC filed an application seeking an order declining jurisdiction, or, in the alternative, granting a Certificate of Convenience and Necessity pursuant to section 393.170, RSMo 2000. On August 24, Staff filed a status report, along with a request for leave to file that report a day late. The status report indicates Staff is investigating the application and expects to be able to file its recommendation by September 20. The Commission will accept Staff's status report a day late, and will direct Staff to file its recommendation by September 20.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission shall file a recommendation regarding Transource Missouri's application no later than September 20, 2016.

2. This order shall be effective when issued.
