**Case No. WC-2015-0330**

The Office of the Public Counsel,  
An agency of the State of Missouri,  
Complainant,  
v.  
Fawn Lake Water Corp.,  
Rachel Hackman,  
A Missouri Water Corporation,  
Respondents.

**Case No. WC-2015-0340**

**SECOND ORDER DIRECTING RESPONDENTS TO FILE AN ANSWER**

Issue Date: September 29, 2016

Effective Date: September 29, 2016

On July 27, 2016, the Commission issued an Order Directing Respondents to File an Answer after this case had been pending for some time. However, rather than filing an answer, the Respondents' attorney filed a motion to withdraw, noting that he had not had any communications with his clients. The Commission granted that motion. Now the Staff of the Missouri Public Service Commission (Staff) has requested that the

Commission allow an additional opportunity for the Respondents to answer the Complaint. Staff requests this additional time, so that it is clear that the Respondents are aware of the need to answer the Complaint or potentially have a default found against them. The Commission will grant the Staff's request.

The Commission notes that rule 4CSR 240-2.040 at section (5) states that a nonattorney may appear on her own behalf, but may not represent any other person or entity before the Commission.

**THE COMMISSION ORDERS THAT:**

1. The time for the Respondents to file an answer in this matter is extended.
2. Any answer to this Complaint shall be filed no later than October 31, 2016.
3. This order shall be effective when issued.
