ORDER GRANTING MOTION FOR CLARIFICATION

Issue Date: October 4, 2016

Effective Date: October 4, 2016

On June 30, 2016, Entergy Arkansas, Inc. ("EAI") filed Motion for Clarification or Abatement. EAI states that the Revised Report and Order the Commission issued on November 26, 2013 required EAI to file updates regarding seams issues. The Commission also opened File No. EW-2014-0156 to receive that same information.

Needing no further information, the Commission then closed File No. EW-2014-0156. Thus, EAI asks the Commission to relieve it of any obligation to file any further seams issues updates in this case.

No party objects to EAI's request. Thus, the Commission will grant it.

THE COMMISSION ORDERS THAT:

1. The closing of File No. EW-2014-0156 relieves Entergy Arkansas, Inc., from its reporting obligations set forth in the Revised Report and Order issued November 26, 2013.

2. This order shall be effective when issued.

3. This file shall be closed on October 5, 2016.
